GRG 35/48/1 Official assisted passenger lists

These lists consist of the official passenger lists of emigrants selected by the Colonization Commissioners, London, and whose passages were paid for out of the Emigration Fund.

Passenger lists commonly contain a certificate of final departure with the name of the ship, date and port of departure, and a list of the passengers departing, as well as a certificate of arrival containing a list of passengers who arrived. The lists vary in format and detail but typically give name, age, occupation and marital status of passenger, while some give county of origin.

Series date range	1845 to 1886
Index date range	1845 to 1886

Series contents	hard copy volumes by date of ship's arrival
Index contents	alphabetical by surname of emigrant (G)

How to view the records

Use the index to find a name and the numbers that follow the name (i.e. AARONS, Alfred 84/8). The first number refers to the year of arrival (i.e. 84 = 1884). The next number refers to the passenger list number allocated by the Archives, which reflects the chronological sequence by which ships arrived.

Using these two numbers (i.e. 84/8) then look up the passenger list in any of the following copies of the list:

- online copies on our website, or
- digital copies at our Research Centre

Note: While every effort has been made to ensure the accuracy of special lists, some errors may have occurred during the transcription and conversion processes. It is best to both search and browse the lists as surnames and first names may also have been recorded in the registers using a range of spellings. Please advise State Records if you discover any errors in this list.
