Official assisted passage passenger lists

Series Description

These lists consist mainly of the official passenger lists of emigrants selected by the Colonization Commissioners, London, and whose passages were paid for out of the Emigration Fund.

The lists give passengers' names, and most give ages, occupation and marital status, while some give county of origin. Not all lists have survived. Passenger lists held in England relating to voyages prior to 1890 were "irregularly destroyed" in 1900 by order of the Board of Trade.
