GRG18/167 Teachers' history sheets - Public School Teachers' Classification Board, later Teachers' Registration Board

This series consists of a collection of employment history sheets created by the Teachers' Classification Board, later Teachers' Registration Board.

Details vary over time, but may include the following: Personal Classification Number, Name, Date of Graduation, Date of Birth, Degree subjects passed, Sequence of schools and dates, Salary, Inspection and examination reports, Position held, Date of appointment, School and Class, Comments, Date of Leaving Department /Resignation etc.

Some sheets have references to related Departmental correspondence dockets, for example E.D. 177/33. These dockets are to be found in GRG18/2.

Sheets began to be used in 1915 with the establishment of the Public School Teachers' Classification Board, but they also include details of teachers who commenced service prior to that date.

Series date range	1915 to 1962
Index date range	1915 to 1962
Series contents	Sheets arranged alphabetically by surname
Index contents	Arranged alphabetically by surname

How to view the records

Use the index to locate and record a name and record which unit the file is in.

If you would like to view the file(s) in our Research Centre, please visit our Research Centre web page to book an appointment and order the records. You may also request a digital copy (fees may apply) through our Online Enquiry Form.

Agency responsible: Department for Education

Access Determination: Open

Note: While every effort has been made to ensure the accuracy of special lists and indexes, some errors may have occurred during the transcription and conversion processes. It is best to both search and browse the lists as surnames and first names may also have been recorded in the registers using a range of spellings. Please advise State Records if you discover any errors in this list.
