## Index

### GRG38/64      Plans of government buildings - Colonial Architect's Department and successors

This series contains plans of government buildings including schools, police stations, hospitals, court houses, and government offices. Plans of the West Terrace Observatory are also included.

**Series date range**      1850 to 1979

**Index date range**      1850 to 1979

**Series contents**      arranged by transfer number

**Index contents**      arranged by transfer number

#### How to view the records

Use the index to locate the transfer or plan number and plan title as you will need these details when ordering the records to view in person or to request a digital copy.

If you would like to view the plan(s) in our Research Centre, please visit our [Research Centre web page](#) to book an appointment and follow the instructions on how to order the records.

You may also request a digital copy (fees may apply). [Contact us](#) and provide details of the plan(s) you would like a copy of, ensuring you include the transfer or plan number and title.

**Agency responsible:**      Department for Infrastructure and Transport

**Access Determination:**      Part Open – Plans relating to current infrastructure such as Parliament House, or active courts, police stations and correctional facilities, are restricted from public access.

*Note: While every effort has been made to ensure the accuracy of indexes, some errors may have occurred during the transcription and conversion processes. Please advise State Records if you discover any errors in this list.*
