How to view the records

Using this index, locate the name of either child or person with whom the child was placed and then use the date of departure to look up the name entry in any of the following copies of the register:

- digital copies at our Research Centre
- online copies hosted by FamilySearch (free registration required), or
- request a digital copy (fees may apply) through our Online Enquiry Form

Agency responsible: **Department for Child Protection**

Access Determination: **Open**

Note: While every effort has been made to ensure the accuracy of special lists, some errors may have occurred during the transcription and conversion processes. It is best to both search and browse the lists as surnames and first names may also have been recorded in the registers using a range of spellings. Please advise State Records if you discover any errors in this list.
