GRG 84/9 Succession duty 'New Act' files

This series contains succession duty files recording succession duties (death duties) levied under the Probate and Succession Duty Act, 1893 - 1929 (New Act).

Most files contain a 'Form A' statement that gives name of deceased, a summary of personal property and real estate, persons to whom property was bequeathed, degree of relationship of deceased to beneficiaries, and duties paid; and a 'Form B' statement of particulars that gives a detailed description of property in the estate and its value, including deductions for debts, funeral expenses and other lawful deductions.

Contents of the envelopes vary over time.

Series date range	1893 to 1935
Index date range	1893 to 1927 ('New Act' files)
Series contents	arranged numerically (1 to 43421)
Index contents	alphabetical by surname (A-Z)
