## Special List

**GRG35/320**

**Record of land held by soldier  
settlers - Soldier Settlement Branch  
1917-1931**

Arranged alphabetically by surname, includes the property (hundred / section) held, and the first date of allotment or settlement.

The volumes from which this list was created give name of settler, section and Hundred, area in acres, dates of allotment or settlement, docket number, amounts to be paid, valuation details, how held (ie. freehold etc.) and remarks. Volume 1 contains surnames beginning A-L, and Volume 2 surnames beginning M-Z. Land held by multiple individuals has been cross-referenced.

### Steps to finding relevant land records

1. Use this list to find the Volume and Page number with the settler's name.
2. View the Volume and Page images to locate the entry for the settler. Images can be viewed in the Research Centre or at our [Online Records](#) web page (Land Records).
3. Note any SSS, L&S, DL, AS references in the columns, including the remarks column.  
Docket numbers recorded in the volumes refer to:
  - GRG35/104 ('L&S' or 'DL' files) – Correspondence files - Lands and Survey Department
  - GRG35/176 ('SSS' files) Correspondence files, annual single number series - Superintendent of Soldier Settlement
  - GRS/3507 ('A.S.' number) Registers of agreements relating to acquired land under Discharged Soldiers' Settlement Act
4. Either visit the Research Centre for assistance with ordering files, or seek a copy by making an enquiry via our [Contact Us](#) page once you have a file reference.

Further information about this topic can be found in a Fact Sheet on [Soldier Settlement](#).

*Note: While every effort has been made to ensure the accuracy of special lists, some errors may have occurred during the transcription and conversion processes. It is best to both search and browse the lists as surnames and first names may also have been recorded in the registers using a range of spellings. Please advise State Records if you discover any errors in this list.*
