

Special List

**GRG24/4 Correspondence files ('CSO' files) -
Colonial, later Chief Secretary's Office
– correspondence sent**

**GRG 24/6 Correspondence files ('CSO' files) -
Colonial, later Chief Secretary's Office
– correspondence received**

1837-1984

Series
Description

These are the major correspondence series of the Colonial, subsequently (from 1857) the Chief Secretary's Office (CSO).

The work of the Colonial Secretary's Office touched upon nearly every aspect of colonial South Australian life, being the primary channel of communication between the general public and the Government.

Series date range 1837 – 1984

Agency responsible Department of the Premier and Cabinet

Access Determination Records dated prior to 1970 are unrestricted. Permission to access records dated post 1970 must be sought from the Chief Executive, Department of the Premier and Cabinet

Contents **Correspondence – “Porter” to “Prior”**

Subjects include inquests, land ownership and development, public works, Aborigines, exploration, legal matters, social welfare, mining, transport, flora and fauna, agriculture, education, religious matters, immigration, health, licensed premises, leases, insolvencies, defence, police, gaols and lunatics.

Note: State Records has public access copies of this correspondence on microfilm in our Research Centre.

For further details of the correspondence numbering system, and the microfilm locations, see following page.

GRG 24/4 (1837-1856) AND GRG 24/6 (1842-1856)

Index to Correspondence of the Colonial
Secretary's Office, including some newspaper
references

HOW TO USE THIS SOURCE

References Beginning with an 'A'

For example: A (1849) 1159, 1458

These are letters *to* the Colonial Secretary (GRG 24/6)

The part of the reference in brackets is the year ie. (1849)

The last part of the reference are the letter numbers ie. 1159, 1458

On microfilm in Drawers 6-11 in the Microfilm area

References beginning with any other letter of the alphabet

For example: Q (1849) 445, 476

These are letters *from* the Colonial Secretary (GRG 24/4)

The part of the reference in brackets is the year ie. (1849)

The last part of the reference is the page numbers ie. 445, 476

On microfilm in Drawer 5-6 in the Microfilm Area

'W Fin' references refer to GRG 24/20 in Drawer 6 in the Microfilm Area

'S.A. Aug. 28, 1849. 2C, 3C' type references refer to the early newspapers held by the State Library of SA

PORTER, J.B. Clerk of Works

Colonial Architect reports the death of Porter on the 1st August 1856 and recommends a successor, Mr. Soward
