Attest M. R. L. L. L.

Surgeon Superintendent Inpatient Dispensary - New South Wales Government. Adelaide

The above is a fair statement of their conduct in some cases it might be better - & a good deal improved - but coming to a new colony - I hope each will strive to do the best for themselves & others - the idleness entailed by a three months voyage - with the loss of their usual amusements - may be urged in favour of my not making any statement likely to injure their prospects - there are some good characters I think among them - many very strong - & nearly all of good colonising material - their habits will change - most of very good strength -
